2. Provision of and Use of the Service

2.1 The Service is not available in all parts of the Territory and may be restricted to certain areas within the Territory.

2.2 GTC may ask the Customer to demonstrate a satisfactory billing history and/or to pay a deposit which may be used to offset the cost of those calls. In certain circumstances incoming calls may be charged by GTC.

2.3 Roaming calls may take longer to be billed.

2.4 GTC may refuse to provide any part of the Service to the Customer in its absolute discretion.

2.5 The Service is not fault free and it may be impaired by geographic, atmospheric or other conditions or circumstances beyond the control of GTC.

2.6 The Customer will be entitled to the quality of Service generally provided by a Service Provider providing a service similar to the Service exercising reasonable skill and care.

2.7 GTC will allocate a number for use with the Terminal on the Network. The number does not belong to the Customer and may only be transferred to another Service Provider in certain limited circumstances (including, but not limited to, payment of GTC's costs) details of which are available on request.

2.8 GTC or its agents may occasionally record or monitor telephone calls to its offices for trainings and quality control. Subject to any legal requirement, GTC will not make the recordings available to anybody else.

3. Length of Agreement

3.1 This Agreement commences on the day on which you connect to the Network.

3.2 This Agreement will continue beyond the Minimum Period until terminated in accordance with paragraph 9.2 of these terms and conditions.

4. Things GTC may have to do

In certain circumstances, GTC may have to:

- alter the number of the Terminal, or any other name, code or number associated with the Service;
- temporarily suspend the Service (or any part of it) for operational reasons, in an emergency, or for reasons of security;
- bar certain numbers from the Service on a temporary or permanent basis in circumstances where it is necessary for GTC to do so (legal, statutory or otherwise); or
- reduce the number and length of voice and text messages that can be left on the message service.

5. Charges for Service

5.1 Charges for the Service will be calculated using the details GTC have recorded.

5.2 All Charges will be included as a single item on the bill unless the Customer has selected itemised billing.

5.3 The monthly bill must be paid by the date stated on the bill. Failure to do so may result in Additional Charges. For any overdue payments GTC may charge interest at 4% above the base lending rate of Barclays Bank Plc on the outstanding Charges and any administration costs which GTC may incur in the case of late payment or non-payment of Charges ("Additional Charges").

5.4 GTC may at its discretion apply a Usage Limit to the Customer's account (which GTC may alter by advising the Customer) and may suspend the Customer's Service if this Usage Limit is exceeded. As GTC's billing system is not instantaneously updated each time a call is made, the Usage Limit may be exceeded. The Customer will be liable for all Charges incurred including any Charges exceeding the Usage Limit. The Customer may be asked to pay any Charges incurred in excess of the Customer's Usage Limit before Service is reinstated.

5.5 The Customer must pay the Charges to GTC or in GTC's absolute discretion to another party notified to you in writing by GTC.

5.6 GTC may require the Customer to pay Charges by direct debit. If the Customer is paying by payment card the Customer authorises the payment card company to disclose to GTC and, under strict obligations of confidentiality, to GTC's sub-contractors and agents, details about the Customer's payment card account in so far as is necessary in connection with the Customer's agreement with GTC and to inform GTC if the Customer's payment account is terminated or suspended at any time.

5.7 Where a Terminal is restricted to use of Service provided by GTC, GTC reserve the right to apply a charge for releasing or unlocking the Terminal.

6. The Customer's Warranties and Undertakings

6.1 The Customer undertakes to use the Terminal and Service in the way described in the User Guides or other instructions issued by GTC.

6.3 If the Terminal is lost, stolen, damaged or destroyed the Customer undertakes that it will be responsible for any Charges incurred until the Customer has informed GTC. If the Customer notifies GTC after 5pm London Time on a Business Day, or on a day that is not a Business Day, the Customer will remain wholly responsible for any charges incurred and any use of the terminal until notification is received at 10am London Time on the next Business Day.

6.4 The Customer undertakes it will not use or otherwise permit any other person to use the Service:

- fraudulently or in connection with a criminal offence in any country in which the Customer uses the Service (as defined in that country) or in breach of any supra national or extra territorial laws; (b) to send and receive calls or send, receive, upload, download, use or re-use any material which is offensive, abusive, indecent, defamatory, obscene or menacing, a nuisance or a hoax, in breach of any Rights or

privacy or otherwise unlawful; (c) to cause annoyance, inconvenience or needless anxiety; or (d) other than in accordance with the acceptable use policies of any connected networks and (if appropriate) any relevant Internet standards.

6.5 The Customer is obliged to inform GTC if anyone makes or threatens to make any claim or issue legal proceedings against you relating to the use of the Service or the Content and you will, at our request, immediately stop the act or acts complained of. If GTC ask you to, you must confirm the details of the claim(s) in writing.

6.6 The Customer agrees to abide by all of the current regulations in effect in any part of the Territory where the Terminal may be used, including the purchase of any required licences or permits. GTC will not be responsible for any operational restrictions, customs, license or permit fees required for operation in the destination country. GTC is not liable or otherwise responsible for fines associated with seizure of the Terminal nor for legal ramifications of using satellite communications equipment in countries where it is prohibited. Customer is obliged to contact the embassy or trade commission of a country, prior to entry into that country to confirm that the use of any part of the Service or Terminal is not restricted in that country.

6.7 The customer waives any rights it may have under the Distance Selling Act 2000 on commencement of the Service.

7. GTC's Rights to Bar or Disconnect the Terminal

7.1 GTC can at its discretion bar the Customer's Terminal from making calls and disconnect it from the Network:

- if any of the circumstances in paragraph 9.1 or 5.4 apply to the Customer; or (b) in the event of loss or theft or if GTC have reasonable cause to suspect fraudulent use of a payment card, the Customer's SIM Card or Terminal; or
- if the Customer breaches any of its undertakings under Clause 6, subject to the Customer remedying such breach;

7.2 The Customer must pay an unbarring charge and, if applicable, a re-connection charge if the Service is temporarily barred and/or the Customer's Terminal is disconnected from the Network for the reasons stated in paragraph 7.1. As a condition of unbarring or re-connecting the Customer's Service, GTC may require the Customer to authorise a Direct Debit authority for the payment of Charges.

7.3 If GTC bar the Service because the Customer breaks this Agreement, the Agreement will continue for the duration of the Minimum Period and thereafter until terminated in accordance with clause 9.2.

8. Network Failure

If the Network is disrupted or otherwise suffers terminal failure for any reason beyond GTC's control, then the Customer agrees to hold GTC harmless for any breach of this Agreement and waives any right it has under this Agreement for any failure in the Service; Network or both the Service and Network.

9. Ending the Agreement

- the Customer fails to pay Charges when they are due, including any deposit GTC have asked for or break this Agreement in any other material way; (b) GTC have reasonable cause to believe that Service is being used in a way forbidden by paragraph 6.4, even if the Customer does not know that the Service is being used in such a way; and the Customer does not correct the situation within 7 days of our request; or (c) the Customer is the subject of a bankruptcy order, or become insolvent, or make any arrangement with or for the benefit of creditors or if being a company the Customer goes into either voluntary or compulsory liquidation or a receiver is appointed over the Customer's assets.

9.2 This Agreement may be ended either by the Customer or GTC giving at least 30 days' written notice. The Customer must pay all Charges incurred during the Agreement.

9.3 If this Agreement is ended during the Minimum Period, the Customer must pay the monthly subscription charges up to the end of the Minimum Period. This does not apply if the Customer ends the Agreement for the reasons in paragraph 9.4.

9.4 The Customer may end this Agreement at any time by giving GTC written notice if:

- GTC breaks this Agreement in any way and does not correct the situation within 14 days of the Customer's request; or (b) GTC goes into liquidation or a Receiver is appointed over its assets.
